-Oh Wanny, Why Cry?

"oh, Wanny, why you crying?"

- "not for nothing".

-D.D.S.B.

mood swinging cloud gazer,

nature nurturer.

all is vanity under the sun.

still eatin'

off my looks,

and wisdom

learnt from youth-

all is vanity under the sun.

nurture nature,

cloud gazer,

swinging mood.

-TwentyTwenty in a Spoiled Society

the year is Soylent Green,
and companies rule the nations.

food is overpriced
while meat is hormonal.

fruits and veggies lab-grown,
clean water is scarce,
yet lead water flows.

money is digital,
commercial advertisements are the tv shows.

social media trends shepherd the youth.
antidepressants sold over the counter.

unnatural is natural,
-synthetically highing and dying.

anyone in a "position of power"
is a figure head.

poverty is universal.

pandemics global.

humanity on the brink of civil war.
the future is as present as the past.

-Joy, Joy, Joy, Down in My Heart.

microdosed on a Sunday,

rose on a Monday,

wondered why i'm not doing what i love?,

-oh!, because of money.

(realizing life ain't all that funny).

though the days are sunny,

Tuesday through Thursday,

Friday rolls around

and i'm feeling real bummy;

took a walk leisurely

and remembered when a man thought me "homeless"

and offered me money.

(realizing life is kinda funny).

Saturday night at Big Lake,

spent it lying on my back staring up at the stars.

see the little dipper off the big dippers handle,

rose-gold Mars, Jupitar

and spotted at least seven shooting stars.

stupefied by the milky ways illumed milky shape,

i can't help but think

"how little we are".

as the sky is constipated by constellations,
a couple of tears stream from both eyes,
while life refreshes thy perspective anew.

heard they **gunned** down little man

the other day;

this the world we living in?

Black and Blue

!POW!

make red.

Black and Blue

!POWPOW!

leave'em dead;

this the world we living in?
